### **GUIDELINES FOR COMPLETING A NONRESIDENT MEMBERSHIP TRANSFER FORM**

Current resident members transferring to a nonresident membership status must qualify for nonresident status for 12 continuous months after election. **You are not eligible to transfer to nonresident membership if you do not intend to maintain your full-time residence and principal place of business 50 aerial miles or more from Multnomah Athletic Club for at least 12 months after the transfer.** If you establish either residence or principal place of business within 50 aerial miles of the club within 12 months of transfer to nonresident status, you will be billed resident dues retroactively to the date of transfer. The House Committee may also review the circumstances and representations relating to your residency to determine if disciplinary action is warranted.

If any member of a nonresident membership becomes a regular user of the club (more than 36 days of use per account in a calendar year) the account shall be subject to review by the House Committee and may be classified as a resident membership even though the membership may meet all other nonresident requirements. Resident members who use the club less than 36 days per calendar year are not considered nonresident members.

#### **ELIGIBILITY CHECKLIST FOR NONRESIDENT MEMBERSHIP STATUS**

- ☐ I understand that to transfer to a nonresident status my full-time residence and principal place of business (if employed) must not be within 50 aerial miles of Multnomah Athletic Club for 12 continuous months or longer after joining.
- ☐ I understand that I may not reside within 50 aerial miles of the club for any portion of the 12 months, including, but not limited to seasonal residency, while in a nonresident membership category.
- ☐ I understand that I may not maintain a residence for my own use within 50 aerial miles of the club while in a nonresident membership category. A residence includes, but is not limited to, a vacation home, condominium, or apartment.
- ☐ I understand that I will be required to pay resident dues retroactively to the date of transfer to nonresident if my residence or principal place of business changes to within 50 aerial miles of the club within 12 continuous months of transfer.
- ☐ I understand that if I become a regular user of the club (more than 36 days of use per account in a calendar year) the account will be subject to review by the Membership Committee and may be classified as a resident membership, even though I may meet all other nonresident requirements.
- ☐ I understand that it is my responsibility to notify the Membership Department within 60 days of any change in my residence or principal place of business such that I no longer qualify for nonresident status.
- ☐ I understand that all members on my nonresident membership must meet the criteria.

*By signing this form, applicant(s)/members are agreeing that they meet all nonresident criteria listed above. Providing false or misleading information that affects membership status or category is a violation of Club Rules that may disqualify you as applicant(s), and may subject members to House Committee review.*
